EXPERIENCE

IT Team Member | Internship | GSYNC Solutions Philippines | College - June 20, 2023

During my Internship I experience handling the following:

- **Chatbot Custom API(Node JS)** - We help the company to lessen costs by building a custom api to be able to respond to inquiries.
Github repo: <https://github.com/lnxe-bit/Messenger-Chatbot-API>
- **ARCGIS** - I have hands-on experience in this software, enabling me to work with geospatial data, perform analysis, and assist LGU's for implementing this kind of Tools.
- **JIRA** - Jira has been my go-to tool for effective project management and issue tracking. I'm adept at using Jira to plan sprints, manage tasks, and ensure smooth team collaboration.
- **Confluence** - has been instrumental in organizing and sharing project-related information. It helps me keep everyone on the same page and foster effective knowledge sharing.

Office Assistant | Internship | DMC Outdoor Advertising Inc. | Senior High School - 2019

- I was assigned to sort all the files.
